

South Carolina Owns UI Integrity!

REPORT FRAUD

Do you know someone who is receiving Unemployment Insurance (UI) benefits:

- at the same time he or she was incarcerated.
- but not reporting he or she is working and being paid cash “under the table.”
- and not reporting his or her earnings to DEW.
- but not able or available for work due to illness, injury, out of town, etc.
- who’s engaged in self-employment.

To report fraud, call the toll free fraud hotline:

1-800-868-1488

All calls are anonymous and confidential.
