Progression requirements for the B.A. program

A student who fails to make satisfactory progress (as defined in the Department of Instruction and Teacher Education section of the *UofSC Undergraduate Studies Bulletin*) may be placed on academic probation or be removed from the college. In addition, all students in the college are subject to the regulations on probation, suspension, and readmission in the *UofSC Undergraduate Studies Bulletin* entitled "Academic Standards Policies."

Students will be allowed to repeat one time only, one course offered through a department in the College of Education for which an unsatisfactory grade was earned. If after the first unsatisfactory grade, a student makes an unsatisfactory grade in the repeated course or any other College of Education course, he/she will no longer be eligible to progress in the program.

Students must achieve a grade of C or better in all Education courses (those with department codes EDEL, EDTE, EDFI, EDPY, EDRM, EDEX, and EDRD). A grade of C or better must also be achieved in the following: ENGL101, ENGL 102, MATH 221, MATH 222, ENGL 431 or ISCI 325, PEDU 575, ARTE 520 or 530 or MUED 555. Likewise, a grade of C or better is required in 2 out of the 3 required science courses and 3 out of the 4 required social studies/history courses. Regardless of individual course grades, an overall GPA of 2.75 and a 3.0 GPA in all education courses must be achieved.
